CALUIRE, 4th February 2026

CERTIFICATION STATEMENT AND DECLARATION

I, the undersigned, Thierry Gervais, acting in my capacity as Global Commercial Director for KEP TECHNOLOGIES EMEA, whose registered address is 28 Avenue Barthélemy Thimonnier, 69300 Caluire, France, hereby certify and declare the following:

GASPRO instrument is designed, manufactured, and produced exclusively by KEP TECHNOLOGIES under the SETARAM brand. GASPRO is an internationally recognized reference instrument in the field of gas sorption research and has been widely cited in peer-reviewed scientific publications for more than twenty (20) years.

Furthermore, I hereby declare that the GASPRO instrument incorporates unique and proprietary technical characteristics, notably through its microdoser accessory. This technology is protected by the following patent:

- US 8132476 B2 — *“Method and Apparatus for Handling Small Quantities of Fluids”*

This certification is issued in good faith for all legal intents and purposes.
